

A REPORT ON VISIT OF KV KESHAVPURAM, DELHI STUDENTS TO FOREST RESEARCH INSTITUTE, DEHRADUN UNDER PRAKRITI PROGRAMME

A group of 50 students from Kendriya Vidyalaya Keshavpuram, Delhi along with their teachers visited Forest Research Institute, Dehradun under "PRAKRITI" programme on 30/09/2019. On behalf of Director, FRI, Dr. Devendra Kumar, Scientist-D, Extension Division, FRI welcomed all the students and their teachers. Dr. A.K. Pandey, Head, Extension Division, FRI, Dehradun gave a brief account about the institute, various forestry related technologies developed by FRI Scientists and its contribution to the environment and society. Thereafter, students visited various museums viz. Forest Pathology Museum, Silviculture Museum, Timber Museum, Forest Non-Wood Forest Product Museum and Forest Entomology Museum, Bambusetum and Botanical garden. During the visit to different museums, queries were raised by students and explained by concerned scientists/officers deputed in museums of FRI. The team of Extension Division, FRI including Dr. Charan Singh, Scientist-E, Mr. Rambir Singh, Scientist D, Shri Vijay Kumar, ACF and Shri Preet Pal Singh, Deputy Forest Ranger contributed for successful visit of students of KV Keshavpuram, Delhi. The glimpses of visit are given below:
