## CONSULTATION MEETING FOR DPR PREPARATION FOR YAMUNA REJUVENATION AT CHITRAKOOT DHAM BY FR CER PRAYAGRAJ

A consultation meeting for preparation of DPR for rejuvenation of Yamuna river through forestry interventions was held on 4<sup>th</sup> October 2019 at Chitrakoot Dham, Uttar Pradesh in which various formats were discussed among the forest official and field level staff.

The meeting was chaired by Sh. K. K. Singh, CF, Chirakoot Dham while DFOs of all three forest divisions of the circle namely Chitrakoot, Hamirpur and Banda were present along with their staff.

At the outset Dr. Sanjay Singh, Head Forest Research Centre for Eco-Rehabilitation welcomed the participants and presented a brief overview about various aspects of the formats devised by FRI Dehradun for collection of requisite information for different forestry interventions for Yamuna rejuvenation.

Dr. Kumud Dubey, Scientist and Nodal Officer (UP) made a detailed presentation of the project and appraised about the formats viz. natural landscapes, agricultural landscape, urban landscape, conservation and extension strategies.

This was followed by interactive session with active participation of more than 50 forest officials and staff to clear queries and doubts regarding the format filling.

The Chairman stressed the urgency of the work and assured to complete the formats within the provided time frame.
