

RFRI Participated in Exhibition at Titabar, 2019 Jorhat (Assam)

RFRI PARTICIPATED IN EXHIBITION AT TITABAR, JORHAT (ASSAM)

Rain Forest Research Institute, Jorhat (Assam) participated in the Exhibition organized on the occasion of Diamond Jubilee Celebration of N. N. Saikia College, Titabar, Jorhat (Assam) from 1st to 3rd October, 2019. RFRI installed an Exhibition Stall to showcase its different activities to the students and general public. Live demonstrations of inoculation technique of Agar tree (*Aquilaria malaccensis*), propagation techniques of different bamboo species, preservation techniques of bamboo, etc., were done during the Exhibition. Tissue cultures samples of orchids, bamboo charcoal and its briquettes, edible and poisonous mushrooms found in North-East and Lac samples were displayed in the Exhibition. Different bamboo handicraft items of RFRI were also displayed. Overwhelming support was received from visitors coming from different walks of life during the Exhibition.
