TRAININGS UNDER HRD PLAN FOR THE FY 2023-24

Training for Scientists

S.N	Topic	Training Types (Training /Workshop / Seminar/ Conference etc	Dates	Funding Agency
1.	Statistical Methods in forestry	One Week Training	April-June 2023	CAMPA
2.	Advanced Molecular techniques in pathogenic and beneficial microbes	One Week Training	July-Sept, 2023	CAMPA
3.	Extension strategies in forestry sector	One Week Training	Oct-Dec, 2023	CAMPA
4.	Valuation/ Quantification of ecosystem services	One Week Training	Jan-March, 2024	CAMPA
5.	Insect Taxonomy	One Week Training	2023-24	CAMPA
6.	Eco-restoration and deserts and degraded areas	One Week Training	2023-24	CAMPA
7.	Production, processing and quality control of ayurvedic medicine	Three Days Training	June, 2023	CAMPA
8.	Hydrological Modelling, artificial groundwater recharge & aquifer management	One Week Training	2023-24	CAMPA
9.	Certified data centre	One Week Training	2023-24	CAMPA
10.	Economics, value addition & marketing of forest produce	One Week Training	2023-24	CAMPA

Training for Technical Staff

S.N	Topic	Training Types (Training /Workshop / Seminar/ Conference etc)	Dates	Funding Agency
1.	Research Methodology and statistical tools in forestry	One Week Training	April-June 2023	CAMPA
2.	Plant Taxonomy and economic botany	One Week Training	July-Sept, 2023	CAMPA
3.	Eco-restoration of deserts and degraded areas	One Week Training	July-Sept, 2023	CAMPA
4.	Basic techniques in plant molecular biology	One Week Training	Oct-Dec, 2023	CAMPA
5.	Extension strategies in forestry sector	One Week Training	Oct-Dec, 2023	CAMPA
6.	New approaches in agro-forestry and tree-crop interaction	One Week Training	Jan-March, 2024	CAMPA
7.	Digital Library/Repository/Rfid Technology	One Week Training	2023-24	CAMPA
8.	An Introduction to field hydrology , Artificial groundwater recharge & aquifer management	One Week Training	2023-24	CAMPA

Training for Administrative Staff

S.N	Topic	Training Types (Training /Workshop / Seminar/ Conference etc)	Dates	Funding Agency
1.	Ethics & Value in Public governance/Good governance/ Right to Information/ Gender Sensitization/ Sexual Harassment at Work place	Three Days Training	05-07 June, 2023	CAMPA
2.	Office procedures, handling office correspondence, file management, noting & drafting, service and establishment rules, office equipment, etc	Three Days Training	Oct-Dec, 2023	CAMPA
3.	Administrative Vigilance and Disciplinary procedures	Three Days Training	Jan-March, 2024	CAMPA

Training for IFS Officers

S.N	Topic	Training Types (Training /Workshop / Seminar/ Conference etc)	Dates	Funding Agency
1.	Advances in RS, GIS and GNSS application in forestry	Training Course for IFS Officers	22-26 May, 2023	MoEF&CC

INSTITUTE OF WOOD SCIENCE AND TECHNOLOGY, BENGALURU

Institute of Wood Science & Technology (IWST), Bengaluru, one of the Institutes of Indian Council of Forestry Research & Education (ICFRE) was established in 1988. Earlier, the then Government of Mysore had set up a Forest Research Laboratory (FRL) at Bengaluru in 1938. In the initial years, work carried out mainly on properties and uses of different timber species, essential oils, other non-wood forest products and protection of wood and trees from pests and diseases. In 1956, this laboratory was organized as a regional centre of Forest Research Institute and Colleges, Dehradun. In 1977, Sandal Research Centre was set up to undertake research on wide-ranging aspects of Genetics, silviculture and management of sandal.

**Institute of Wood Science & Technology, 18th Cross, Malleshwaram
Bengaluru- 560 003 (Karnataka)
Phone No. : +91-80-22190100, 200, 555
E-Mail : dir_iwst@icfre.org**

APPROVED TRAININGS:

S.N.	Topic	Training Types (Training /Workshop / Seminar/ Conference etc)	Dates	Funding Agency
01.	Sandalwood cultivation and its prospects	Training Workshop for IFS Officers	31 May – 02 June 2023	MoEF&CC
02.	Advances in Wood Production and Utilization	Compulsory Training for IFS Officers	16-20 October 2023	MoEF&CC

PROPOSED TRAININGS:

S.N.	Topic	Training Types (Training /Workshop / Seminar/ Conference etc)	Dates	Funding Agency
01.	Bamboo Production and Utilization	Compulsory Training Programme for IFS Officers	22-26 May 2023 or 5-9 June 2023	MoEF&CC
02.	Augmenting Teak Timber in India	Training Workshop for IFS Officers	18-20 January 2024	MoEF&CC
03.	Bamboo Processing and Utilization	Training for Other Stakeholders	18-20 September 2023	MoEF&CC
04.	Sandalwood Cultivation and its prospects	Training for Other Stakeholders	4-6 October 2023	MoEF&CC
05.	Testing and Application of Sustainable Building Materials : Wood and Wood Based Products	Training for Other Stakeholders	5-7 June 2023 or 7-9 June 2023	MoEF&CC
06.	Short Term Training Course on Adhesives and Wood Based Panel Products	Training for Other Stakeholders	Last week of July or First week of August 23	MoEF&CC
07.	Know your plywood and panel composites	Training for Other Stakeholders	Last week of August 2023	MoEF&CC
08.	Awareness about the benefits of utilizing wood and wood based products in housing	Training of Personnel of Other Services	Any date in June 2023 or July 2023	MoEF&CC

ICFRE-ARID FOREST RESEARCH INSTITUTE, JODHPUR

Arid Forest Research Institute has been established since 1988 to cater the forestry needs of the arid and semi arid region of Rajasthan, Gujarat & Dadar Nagar Haveli & Daman-Diu.

The institute is situated on Jodhpur, Pali Raod in beautiful campus spreading over 20.82 hectare area housing office building, laboratories, library cum information centre, community centre, guest house, scientist hostel and residential quarters.

**The Director,
Arid Forest Research Institute (AFRI),
New Pali Road, Jodhpur 342005
Phone No. +91-291-2722549 (O)
E-mail : dir_afri@icfre.org**

S.N.	Topic	Training Types (Training /Workshop / Seminar/ Conference etc)	Dates	Funding Agency
1.	Training under Van Vigyan Kendra (VVK) Bikaner, Rajasthan	Training	Oct- Dec 2023	Proposed CAMPA Extension
2.	Training under Van Vigyan Kendra (VVK) Udaipur, Rajasthan	Training	Oct- Dec 2023	Proposed CAMPA Extension
3.	Training under Van Vigyan Kendra (VVK) Rajkot, Gujarat	Training	Jan- Mar,2024	Proposed CAMPA Extension
4.	Nursery technologies for arid and semi arid region species	Training for Other stakeholders	4-6 October 2023	MoEF&CC
5.	Sensitization on ecological aspect and sustainable forestry of dry areas	Training for personnel of other services	12-14 December, 2023	MoEF&CC
6.	Integrated approach for sustainable development of fragile desert ecosystem	Three Days workshop for IFS officers	7-9 August, 2023	MoEF &CC
7.	Integrated approach for sustainable development of fragile desert ecosystem	One-week compulsory Training for IFS officers	20-24 November, 2023	MoEF &CC

ICFRE-TROPICAL FOREST RESEARCH INSTITUTE, JABALPUR

The Tropical Forest Research Institute, Jabalpur is one of the eight regional institutes under the Indian Council of Forestry Research & Education, Dehradun. The Institute came into existence in April 1988, although its origin goes back to 1973 when a Regional Centre of Forest Research Institute, Dehradun was established at Jabalpur to provide research support to the problems of forest management in central India. The Institute has not only steadily advanced in terms of infrastructure but also specialized itself as a major nucleus for research on forestry and ecology related problems of tropical forests of the central region comprising of the states of Madhya Pradesh, Chhattishgarh, Maharashtra and Orissa.

P.O: R.F.R.C, Mandla Road, Jabalpur (M.P)- 482021

Phone No. : +91-761-2840483 (O)

E-Mail : dir_tfri@icfre.org

S.N.	Topic	Training Types (Training /Workshop / Seminar/ Conference etc)	Dates	Funding Agency	Division
1.	Value addition and marketing of Non-Timber Forest Produce (NTFPs)/ Medicinal & Aromatic Plants (MAPs) for Livelihood Security (NCVAM - 2023)	2nd National conference	2-3 May, 2023 (Virtual mode)	Anchrom Enterprises India Pvt. Ltd., Mumbai	S., F.M. & Agro Forestry Div., ICFRE-TFRI
2.	Propagation and Nursery Management of Bamboos	Training	12-16 June 2023	Chhattisgarh Forest Department	Genetics & Tree Improvement Div., ICFRE-TFRI
3.	Plant Tissue Culture	Training	10-14 July, 2023	Chhattisgarh Forest Department	Genetics & Tree Improvement Div., ICFRE-TFRI
4.	Vegetative Propagation of Forestry Species and High Tech Nursery Techniques	Training	7-11 Aug., 2023	Chhattisgarh Forest Department	Genetics & Tree Improvement Div., ICFRE-TFRI
5.	Propagation and Nursery Management of Bamboos	Training	11-15 Sept., 2023	MoEF & CC New Delhi	Genetics & Tree Improvement Div., ICFRE-TFRI
6.	Training on Introduction to Basic Forestry	Training	19-20 Sept., 2023	MoEF&CC, New Delhi	Forest Ecology & Climate Change Div., ICFRE-TFRI
7.	Plant Tissue Culture	Training	9-13 Oct., 2023	MoEF & CC New Delhi	Genetics & Tree Improvement Div., ICFRE-TFRI
8.	For other Stakeholders – through virtual mode	Training	13-14 Oct., 2022	MoEF&CC, New Delhi	Forest Ecology & Climate Change Div., ICFRE-TFRI
9.	Environmental awareness – identification of economically important medicinal plants.	Training for school children	19 Oct. 2023	ICFRE	ICFRE – SDC, Chhindwara
10.	बाँस आधारित कृषिवानिकी पद्धति: संवर्धन एवं प्रबंधन	Training	Nov., 2023	NABARD	S., F.M. & Agro Forestry Div., ICFRE-TFRI
11.	Identification, uses and botanical name of tree / shrubs	Training for college students	21 Nov., 2023	ICFRE	ICFRE – SDC, Chhindwara

12.	Utilization of flyash in Forestry sector vis-a-vis climate change and land degradation	Training	22-24 Nov., 2023	Adani Maharashtra Paver ltd, Gondia.	Forest Ecology & CC Div., ICFRE-TFRI
13.	Agroforestry models and its Management for other stakeholders	Training	23-25 Nov., 2023	MoEF & CC New Delhi	S., F.M. & Agro Forestry Div., ICFRE-TFRI
14.	कृषि वानिकी/जैव उर्वरक एवं पौध शाला प्रौद्योगिकी	Training under VVK, Maharashtra	5 Dec., 2023	CAMPA Extension	Extension Div., ICFRE-TFRI
15.	Preparation of organic fertilizer and their application	Training for college students & farmers	26 Dec., 2023	ICFRE	ICFRE – SDC, Chhindwara
16.	कृषि वानिकी/जैव उर्वरक एवं पौध शाला प्रौद्योगिकी	Training under VVK, Madhya Pradesh (Jabalpur)	10 Jan., 2024	CAMPA Extension	Extension Div., ICFRE-TFRI
17.	Agroforestry models and its Management for livelihood security	Training for IFS Officers	13-15 Feb., 2024	MoEF & CC New Delhi	S., F.M. & Agro Forestry Div., ICFRE-TFRI
18.	लघुवनोपज एवं मूल्य संवर्धन/नर्सरी तकनीक	Training under VVK, Madhya Pradesh (Chhindwara)	20 Feb., 2024	CAMPA Extension	Extension Div., ICFRE-SDC, Chhindwara

ICFRE-HIMALAYAN FOREST RESEARCH INSTITUTE, SHIMLA

Himalyan Forest Research Institue (HFRI), Shimla was established as High Level Conifer Regeneration Research Centre during May 1977 for carrying out Research on problem associated with natural regeneration of Silver Fir and Spruce. The Institute made its humble beginning from this Centre and at the time of re-organization of forestry research in Indian Council of Forestry Research & Education (ICFRE), Dehradun during 1998, Government of India appreciated the problems of Temperate Eco-System and decided to upgrade this Centre in to a full-fledged research institute.

**Himalayan Forest Research Institute (HFRI),
Conifer campus, Panthaghati, Shimla (HP)
Phone No. : +91-9418129759
E-Mail : dir_hfri@icfre.org**

S.N.	Topic	Training Types (Training /Workshop / Seminar/ Conference etc)	Dates	Funding Agency
1.	Nursery and plantation technique of <i>Juniperus polycarpus</i> : an important tree species of cold desert region. Training Coordinator: Sh. Pitamber Singh Negi, Scientist-D	Training	June, 2023	CAMPA Extension
2.	Capacity building for frontline field staff of forest department Training Coordinator: Dr Vaneet Jishtu, Scientist-E	Training	September, 2023	HPSFD
3.	Cultivation of Important Temperate Medicinal Plants: An Option for Diversification and Additional Source for Rural Income. Training Coordinator: Dr Joginder Singh, CTO	Training	September 2023	MoEF &CC, GOI
4.	Cultivation, post-harvest management and marketing and of medicinal plants Training Coordinator: Dr Jagdish Singh, Scientist-F and Dr.Joginder Singh, CTO	Training	October, 2023	CAMPA Extension
5.	Application of mycorrhizal bio-fertilizer in organic cultivation of crops ICFRE plan November to December Training Coordinator: Dr Ashwani Tapwal, Scientist-F	Training	November, 2023	ICFRE Plan Project
6.	Extension of cultivation technique of <i>Fritillaria roylei</i> Training Coordinator: DrSwaran Lata, Scientist-D	Training	November 2023	NMPB
7.	Awareness programme on biodiversity conservation Training Coordinator: Dr Ranjit Singh, Scientist-E	Training	November 2023	ICFRE Plan Project
8.	Eco-friendly management of insect pests of oak of North Western Himalaya Training Coordinator: Dr Pawan Kumar, Scientist-E	Training	December 2023	ICFRE Plan Project
9.	Forestry interventions for productivity enhancement. Training Coordinator: Dr Jagdish Singh, Scientist-F and Dr Joginder Singh, CTO	Training	February, 2024	CAMPA Extension

ICFRE-INSTITUTE OF FOREST GENETICS & TREE BREEDING, COIMBATORE

The Institute of Forest Genetics and Tree Breeding (IFGTB) is a national Institute established in April 1988 under the Indian Council of Forestry Research (ICFR). A multi-faceted research Institute primarily aimed to carry out research to improve productivity of forest tree species through conventional breeding programmes and biotechnological interventions. Mainstream research carried out by the Genetics and Biotechnology divisions is supported by Silviculture, Seed technology, Protection (Entomology & Pathology), Agro-forestry and Bio-diversity divisions.

The Director, Institute of Forest Genetics and Tree Breeding
P.B.No. 1061, R.S. Puram P.O., Coimbatore- 641002
Phone No. : +91-422 2484100, 2484101
E-Mail : dir_ifgtb@icfre.org

S. N.	Topic	Training Types (Training/Workshop/Seminar/Conference etc)	Dates	Funding Agency
1.	Biosafety awareness (Subject to approval of MoEF&CC)	Workshop for State Biosafety Coordination Committees	Oct 2023 (Tentative)	UNEP-GEF-MoEF&CC
2.	Characterization of Genome edited plants (Subject to approval of MoEF&CC)	Conference	Nov 2023 (Tentative)	UNEP-GEF-MoEF&CC
3.	Basics of biochemistry and molecular biology	Lecture series	22.08.23	Plan
4.	Two weeks summer internship training	2 weeks Training	June, 2023	Paid training
5.	Bioprospecting and Biopiracy, Umbrella scheme of “Forestry Training and capacity building” to personnel of other services.	3 days Training	August, 2023	MoEF& CC
6.	Bioprospecting and Biopiracy, Umbrella scheme of “Forestry Training and capacity building” to other stakeholders.	3 days Training	Sep., 2023	MoEF& CC
7.	Hands on training on HPLC & GC-MS/MS: Instrumentation, Operation & Applications	1 days Training	July, 2023	Paid training
8.	TRB production techniques as Azadi Ka Amrit Mahotsav.	1 days Training	May, 2023	Under DST project
9.	Tribal training on capacity building (Onsite)	1 days Training	Nov., 2023	Under DST project
10.	Tribal training on capacity building (Onsite)	1 days Training	Dec., 2023	Under DST project
11.	Identification and management of insect-pests and diseases in forest nurseries and plantation	2 days training	20-21 July, 2023	ICFRE
12.	Casuarina Windbreak Clones for protection of banana crop & Popularization of TreeGenie App	One day	24.05.2023	CAMPA
13.	Tree Cultivation techniques for higher economic returns for KVK officials	Three days	Third week of August 2023	MoEF&CC
14.	Biodiversity Conservation & Nature Education for Other Stakeholders	Three days	17-19 Oct, 2023	MoEF&CC
15.	Junior Rangers – Nature Connect program for government school students	Three days	21-23 Nov, 2023	MoEF&CC
16.	Forest Genetic resource management for IFS Officers	Three Days	13-15 Dec 2023	MoEF&CC

ICFRE-INSTITUTE OF FOREST PRODUCTIVITY, RANCHI

Encompassing the picturesque eastern Himalayas in Sikkim and North Bengal, the fertile alluvial expanse of indo-gangetic plains in Bihar and West Bengal, deltaic and coastal mangroves of the world famous Sunderbans, a pocket of Terai Sal forest in the north west corner of Bihar and tropical deciduous forests of Kaimur and Chotanagpur plateau overlaying rich and enticing mineral resources within its jurisdiction, the Institute of Forest Productivity is a premier forestry research organization catering to the forestry research needs of eastern India.

E-mail:dir_ifp@icfre.org

S.N.	Topic	Training Types (Training /Workshop / Seminar/ Conference etc)	Dates	Funding Agency
1.	Agroforestry Systems for enhancing rural livelihoods	Training	July, 2023	HRD CAMPA
2.	Remote Sensing & GIS application in Forest and Ecological Studies	Training	September, 2023	HRD CAMPA
3.	Carbon sequestration of different ecosystems	Training	October, 2023	HRD CAMPA
4.	Useful insects and their rearing for livelihood security in forest areas	Training	December, 2023	HRD CAMPA
5.	Bamboo propagation and plantation techniques	Training	January, 2024	HRD CAMPA
6.	Medicinal Plants cultivation an opportunity for alternative income for enhancing rural economy	Training	February 2024	HRD CAMPA

ICFRE-RAIN FOREST RESEARCH INSTITUTE, JORHAT

Rain Forest Research Institute (RFRI), Jorhat, Assam is one of the constituent institutes of Indian Council of Forestry Research and Education (ICFRE), Dehradun. The institute came into being in 1988 to cater the forestry related research & extension needs of the North Eastern Region of the country. The Institute encompasses of all the disciplines of forestry research. Recently an Advanced Research Centre for Bamboo and Rattan (ARCBAR) has also been established at Aizwal in Mizoram under this institute.

S.N.	Topic	Training Types (Training /Workshop / Seminar/ Conference etc)	Dates	Funding Agency
1.	Bamboo Nursery, Plantation and Handicraft Making	Training of Farmers and Artisans from odisha	May, 2023	ODBA
2.	Training at VVKs	Training for Farmers, Artisans, JFMC Members, Forest Frontline Staff etc	May-June, 2023	ICFRE
3.	Training on Bamboo Shoot Processing and Value Addition	Training for Demo Village people	May-June 2023	ICFRE
4.	Training on Agarwood and Artificial Inoculation	Training for Demo Village people	July-Aug., 2023	ICFRE
5.	Training at VVKs	Training for Farmers, Artisans, JFMC Members, Forest Frontline staffs etc	July-Sept., 2023	ICFRE
6.	Training on Agarwood and Artificial Inoculation	Training on Agarwood Growers	July, 2023	Self Sponsored
7.	Training on Bamboo Handicraft	Trainig for Demo Village people	Sept.- Oct., 2023	ICFRE
8.	Office Procedures, Handling office correspondences, file management etc	Training for ICFRE Admin Staff	01-03 Nov, 2023	ICFRE
9.	Bamboo Resource Development for Addressing Livelihood Concerns of Communities	Training for Other Stakeholders	21-23 Nov, 2023	MoEF&CC
10.	Training at VVKs	Training for Farmers, Artisans, JFMC Members, Forest Frontline staffs etc	Oct.-Nov., 2023	ICFRE
11.	Training on Agarwood and Artificial Inoculation	Training on Agarwood Growers	Nov., 2023	Self Sponsored
12.	Bamboo Resource Development for Addressing Livelihood Concerns of Communities	Training for IFS Officers	04-08 Dec., 2023	MoEF&CC
13.	Role of Forestry in Sustainable Development of People	Workshop for IFS Officers	3-5 Jan., 2024	MoEF&CC
14.	Training at VVKs	Trainings for Farmers, Artisans, JFMS Members, Forest Frontline Staff etc	Jan.- March, 2023	ICFRE

15.	Training on Agarwood and Artificial Inoculation	Training for Agarwood Growers	Jan., 2024	Self Sponsored
16.	Training on Bamboo Propagation, Nursery Management and Cultivation	Training for Bamboo Farmers	Jan., 2024	Self Sponsored

ICFRE- INSTITUTE OF FOREST BIODIVERSITY, HYDERABAD

The Institute of Forest Biodiversity was established during December 2012 vide ICFRE order no. 58-21/XLVII/2012-ICFRE Dated 7th December 2012, by way of upgradation of the erstwhile Forest Research Centre, Hyderabad.

The Institute is located at Dulapally, which is 23 Km away from Secunderabad Railway Station and 65 Km away from Rajiv Gandhi International Airport, Shamsabad, Spread over an area of one hundred acres, the Institute has the necessary infrastructure viz., administrative block, three laboratories (molecular genetics, tissue culture and soil science), library, field trial areas (comprising germplasm banks, seedling seed orchards, and agroforestry models), nursery area (complete with shade houses and mist chamber) to take up research and development projects on the biodiversity. The Institute has a field station spread over sixty acres at Mulugu, Hyderabad.

S.N.	Topic	Training Types (Training /Workshop / Seminar/ Conference etc)	Dates	Funding Agency
1.	Field identification of Mangroves and their associates	VVK-Training	15.06.2023	ICFRE
2.	Redsanders cultivation techniques	VVK-Training	16.06.2023	ICFRE
3.	Nursery techniques for important forest species	VVK-Training	14.07.2023	ICFRE
4.	Integrated Pest Management of Soap nut Teak	MDTC Training	28.07.2023	ICFRE
5.	Extension Training program under AICRP-01	Training	26.05.2023	ICFRE
6.	Basic Mapping Techniques for assessment of biodiversity	Workshops	12.05.2023	ICFRE
7.	Important fodder species in Telangana	VVK-Training	11.08.2023	ICFRE
8.	Importance of Honey bees and its role in Biodiversity conservation	VVK-Training	15.09.2023	ICFRE
9.	Plant identification of Mahua with special focus on its traditional, medicinal and nutritional uses	VVK-Training	21.09.2023	ICFRE
10.	Integration of forestry practices in Agro-ecosystems	VVK-Training	25.08.2023	ICFRE
11.	Extension Training program under AICRP-04	Training	01.09.2023	ICFRE
12.	Post Forest fire management practices	VVK-Training	13.10.2023	IC FRE
13.	Sustainable management of Soil resources	VVK-Training	10.11.2023	ICFRE
14.	Forest Insect Pest identification and their management in field	VVK-Training	08.12.2023	ICFRE
15.	Extension Training program under AICRP-29	Training	22.10.2023	ICFRE
16.	Livelihood generation through Agroforestry	VVK-Training	19.01.2024	ICFRE
17.	Extension Training program under AICRP-30	Training	09.02.2024	ICFRE
18.	Workshop on “Methods for documentation of biological diversity”	Other Stakeholders training	Tentative 12.09.23 to 14.09.23 10.10.23 to 12.10.23 07.11.23 to 09.11.23 05.12.23 to 07.12.23	MoEF&CC
19.	Management of Soil Health and Fertility to sustain the Plant Productivity	Other Stakeholders training	Tentative 07.08.23 to 09.08.23 09.10.23 to 11.10.23 30.10.23 to 01.11.23	MoEF&CC
20.	Workshop on Conservation and Management of Habitat Trees	Other Stakeholders Training	Tentative 12.09.23 to 14.09.23 10.10.23 to 12.10.23 07.11.23 to 09.11.23 05.12.23 to 07.12.23	MoEF&CC

21.	Workshop on “Conservation and Management of Biological Diversity”	Other Stakeholders Workshop	Tentative 11.07.23 to 13.07.23 18.07.23 to 20.07.23 08.08.23 to 09.08.23 12.09.23 to 14.09.23	MoEF&CC
22.	Workshop on “Conservation of Non-timber forest produce species and their sustainable utilization”	Other Stakeholder Workshop	Tentative 01.08.23 to 03.08.23 08.08.23 to 10.08.23 12.09.23 to 14.09.23	MoEF&CC

ICFRE- FOREST RESEARCH INSTITUTE, DEHRADUN

The Forest Research Institute, Dehradun is engaged in carrying out educational and research works on different aspects of forestry in the jurisdiction states of Uttarakhand, Uttar Pradesh, Punjab, Haryana, Chandigarh and Delhi. The Institute is involved in carrying out research in four Thrust Areas of Research, one Thrust Area of Education and one Thrust Area of Extension of Indian Council of Forestry Research & Education (ICFRE). The Institute is also pursuing identified priority area of research in 15 Research Initiatives (Themes) suggested by MoEF&CC. The Forest Research Institute, Deemed University is conducting four Master Degree courses and Ph.D programmes in 23 different forestry related disciplines.

S.N	Topic	Training Types (Training /Workshop / Seminar/ Conference etc)	Dates	Funding Agency
1.	Agroforestry extension- issues and challenges	Seminar	11 Aug, 2023	ICFRE (Extn. Div)
2.	Role of Agroforestry in Land Management	Training	25-29 Sept, 2023	MoEF&CC
3.	Botanization of FRI Campus	Awareness cum Training	22 May, 2023	ICFRE (Bot. Div)
4.	Extraction of essential oils	Training	06 June, 2023	ICFRE (Chem. Div)
5.	Vesicular Arbuscular Mycorrhiza (VAM) inoculums (biofertilizer) mass production	Training	13-15 Dec, 2023	ICFRE (F.P. Div)
6.	Mass Multiplication of Biocontrol agent Trichoderma	Training	18-20 Sept, 2023	ICFRE (F.P. Div)
7.	Edible/Medicinal Mushroom cultivation	Training	04-06 Sept, 2023	ICFRE (F.P. Div)
