

## **RFRI CELEBRATES INTERNATIONAL DAY FOR BIOLOGICAL DIVERSITY -2021**

**Rain Forest Research Institute, Jorhat** celebrated *International Day for Biological Diversity* at its Campus on 22<sup>nd</sup> May, 2021. Due to prevailing Covid-19 situation, the celebration was restricted to Plantation Activity only with participation of limited people that included Scientists, Officers, Spouses and Children.

The programme was inaugurated by Dr. R. S. C. Jayaraj, Director of the Institute. In his speech, he stressed on the conservation of biodiversity. He told that three B's i.e. Bees, Butterfly and Birds are indicator of environmental health. Good diversity of these species indicates healthy environment. Everyone must strive to conserve the nature so as to get rid of unwanted situation in future.

Saplings of *Sasa fortunii*, *Parkia roxburghii* and *Syzygium cumini* were planted on the occasion.
