स्नातक, स्नातकोत्तर एवं डॉक्टरेट विद्यार्थियों के शैक्षणिक भ्रमण की रिपोर्ट**
**Report on Educational Visit of BSc, MSc. and PhD. Botany Students from
Career Point University, Hamirpur, Himachal Pradesh.**

Twenty students of BSc, MSc. and PhD. Botany along with four faculty members from Career Point University, Hamirpur, Himachal Pradesh visited ICFRE-HFRI Shimla on 25th September, 2024. Dr. Joginder S Chauhan, CTO delivered a lecture on R&D activities of the institute, he informed the students about products and medicinal plants varieties developed by the institute. All queries of students were satisfied with expert opinions of Dr. Raj Kumar Verma, Director In-charge(Link) and Head, Extension Division. Thereafter, students were also taken to Laboratories and Technology Demonstration Center, where, they were briefed about displayed technologies and products by respective officers and officials. Students were also given hands on training on instruments and dissection of insects in forest protection laboratory. They were also acquainted with identification of medicinal plants by showing preserved samples in herbarium and TDC. Sh. Rajender Pal, Sr. Tech. and Sh. Swaraj Singh, Tech. assisted in organizing the visit. #Mission LiFE #Prakriti.

Glimpses of Visit
