

RFRI ORGANIZED COVID TEST CAMP

Rain Forest Research Institute, Jorhat (Assam) organized a COVID Test Camp on 29th September, 2020 at its Campus. Almost all Scientists, Officers, Supporting Staff, Ministerial Staff, Research Fellows, Students, Family Members, Contractual Daily Workers, and Security Staff were tested for the Covid-19 virus infection. Testing was done by Technical Persons of Assam Health and Family Welfare Department. Total of 227 persons were tested and five persons were found positive. The people found positive were advised by Medical Officials to remain in quarantine and to seek medical assistance whenever required.
