9.	ICFRE-Rain Forest Research Institute, Jorhat	13
10.	ICFRE-Institute of Forest Biodiversity, Hyderabad	14-15

INDIAN COUNCIL OF FORESTRY RESEARCH & EDUCATION, DEHRADUN

Professional Skill Upgradation Trainings under HRD Plan

Trainings for Scientists:

S.N	Topic	Training Types	Dates	Funding Agency
1.	Analytical instrumentation for characterization of materials, data analysis and interpretation.	Skill Upgradation Training	2026-27	ICFRE/ CAMPA
2.	Extension strategies in forestry sector and entrepreneurship development.	Skill Upgradation Training	2026-27	ICFRE/ CAMPA
3.	Forest certification, economics & marketing of NWFP & medicinal Plants.	Skill Upgradation Training	2026-27	ICFRE/ CAMPA
4.	Refresher training on statistical methods in forestry research with field data collection and analysis using advance statistical software's.	Skill Upgradation Training	2026-27	ICFRE/ CAMPA
5.	Quantitative modeling approach for forest soils and water resources with Hydro-meteorological and climate data analysis.	Skill Upgradation Training	2026-27	ICFRE/ CAMPA
6.	Development of official websites and softwares and its maintenance including recruitment portal and other official portals.	Skill Upgradation Training	2026-27	ICFRE/ CAMPA
7.	Modern research methodology and tools, current trends in writing scientific reports/proposals and effective publishing techniques, IPR, patenting, cyber security, product registration.	Skill Upgradation Training	2026-27	ICFRE/ CAMPA
8.	Carrying capacity of forest ecosystems w.r.t. mining of mineral resources	Skill Upgradation Training	2026-27	ICFRE/ CAMPA

Trainings for Technical Staff (Category I & II):

S.N	Topic	Training Types	Dates	Funding Agency
1.	Hands-on training on advanced/new instruments/equipments related to various disciplines of forestry	Skill Upgradation Training	2026-27	ICFRE/ CAMPA
2.	Hands-on training on molecular biology techniques, handling of sophisticated instruments with its working principles	Skill Upgradation Training	2026-27	ICFRE/ CAMPA
3.	Cultivation, processing techniques and management of non-wood forest products	Skill Upgradation Training	2026-27	ICFRE/ CAMPA
4.	Hands-on training on instrumentation (GC-MS, HPLC, Spectrophotometers, etc.) with working	Skill Upgradation Training	2026-27	ICFRE/ CAMPA

	principal			
5.	Basics of soil science and hands-on training on soil analysis including organic and inorganic components, bio-physical properties and heavy metals.	Skill Upgradation Training	2026-27	ICFRE/ CAMPA
6.	Hands-on training on vegetative propagation techniques, nursery management, Hi-tech nursery, clonal technology, grafting, air layering, bamboo nursery and plantations	Skill Upgradation Training	2026-27	ICFRE/ CAMPA
7.	Basics of statistics including sampling, data collection, designing of experiments, basic multivariate analysis, ANOVA and use of basic statistical software's.	Skill Upgradation Training	2026-27	ICFRE/ CAMPA

Trainings for Technical Staff (Category III):

S.N	Topic	Training Types	Dates	Funding Agency
1.	Weed diversity, eradication and management of Indian forests.	Skill Upgradation Training	2026-27	ICFRE/ CAMPA
2.	Computer and internet applications, artificial intelligence, social media tools and information dissemination.	Skill Upgradation Training	2026-27	ICFRE/ CAMPA
3.	Carrying capacity of forest resources and national parks	Skill Upgradation Training	2026-27	ICFRE/ CAMPA

Trainings for Administrative Staff:

S.N	Topic	Training Types	Dates	Funding Agency
1.	Office procedures, office correspondence, file management, RTI and Handling of Parliamentary Matters	Skill Upgradation Training	2026-27	ICFRE/ CAMPA
2.	Noting & drafting and office procedures including Accounting procedures	Skill Upgradation Training	2026-27	ICFRE/ CAMPA

Training for Field Staff

S.N	Topic	Training Types	Dates	Funding Agency
1.	Forest & environment laws and procedure (IFA, WPA, FCA, FRA, BDA, Forest Policy etc.); international organization, international agreements, CITES	Skill Upgradation Training	2026-27	ICFRE/ CAMPA

Training for Multi-Tasking Staff

S.N	Topic	Training Types	Dates	Funding Agency
1.	Overview of ICFRE, role and responsibilities of MTS in ICFRE and basic knowledge of forestry	Skill Upgradation Training	2026-27	ICFRE/ CAMPA

*These trainings will be conducted as per availability of funds

ICFRE-FOREST RESEARCH INSTITUTE, DEHRADUN

About Institute: The Forest Research Institute, Dehradun is engaged in carrying out educational and research works on different aspects of forestry in the jurisdiction states of Uttarakhand, Uttar Pradesh, Punjab, Haryana, Chandigarh and Delhi. The Institute is involved in carrying out research in four Thrust Areas, including forestry Education and Extension of technological developments of the Indian Council of Forestry Research & Education (ICFRE) and its institutes. The Institute is also pursuing identified priority area of research in 15 Research Initiatives (Themes) suggested by MoEF&CC. The Forest Research Institute, Deemed to be University is conducting four Master Degree courses and Ph.D programmes in 23 different forestry related disciplines.

Contact For nomination:

Head, Extension Division,
ICFRE-Forest Research Institute, PO. New Forest, Dehradun- 248006 (Uttarakhand)
Phone: 0135-2758606
E-Mail: headext@icfre.org Website: <https://fri.icfre.gov.in/>

Training courses on payment basis:

S.N	Topic	Training Types	Dates	Funding Agency
1.	Butterfly monitoring & butterfly inclusive tourism as a Source of Livelihood	Short Term Training	05-09 Oct, 2026	Paid Training
2.	Identification of a forest tree pathogen by amplicon sequencing	Short Term Training	07-11 Sept, 2026	Paid Training
3.	Urban forestry for building climate-resilient and sustainable cities	Short Term Training	04-08 Dec, 2026	Paid Training
4.	Skilled development in parataxonomy	Short Term Training	16-20 Nov, 2026	Paid Training
5.	Playwood manufacture	Short Term Training	21-25 Sept, 2026	Paid Training
6.	Wood testing	Short Term Training	04-08 May, 2026	Paid Training
7.	Wood coating	Short Term Training	20-24 April, 2026	Paid Training
8.	Seasoning and preservation of wood and bamboo	Short Term Training	18-22 May, 2026	Paid Training
9.	Wood and bamboo preservation	Short Term Training	05-09 Oct, 2026	Paid Training
10.	Ecosystem services: valuation and policy issues	Short Term Training	21-25 Sept, 2026	Paid Training

ICFRE-CSFER, Prayagraj, UP

Training courses on payment basis:

S. N	Topic	Training Types	Dates	Funding Agency
1.	Lac cultivation for improving livelihood	Short Term Training	21-23 April, 2026	Paid Training
2.	Techniques for nursery and plantation management	Short Term Training	15-17 Sept, 2026	Paid Training
3.	Cultivation, processing, value addition, marketing & certification of medicinal plants	Short Term Training	13-15 Oct, 2026	Paid Training
4.	Bioremediation of industrial waste and problematic soil sites	Short Term Training	17-19 Oct, 2026	Paid Training
5.	Bamboo propagation, management and utilization	Short Term Training	03-05 Nov, 2026	Paid Training
6.	Agroforestry for sustainable land use and livelihood improvement	Short Term Training	01-03 Dec, 2026	Paid Training

ICFRE-INSTITUTE OF WOOD SCIENCE & TECHNOLOGY, BENGALURU

About Institute: Institute of Wood Science & Technology (IWST), Bengaluru, one of the Institutes of Indian Council of Forestry Research & Education (ICFRE) was established in 1988. Earlier, the then Government of Mysore had set up a Forest Research Laboratory (FRL) at Bengaluru in 1938. In the initial years, work carried out mainly on properties and uses of different timber species, essential oils, other non-wood forest products and protection of wood and trees from pests and diseases. In 1956, this laboratory was organized as a regional centre of Forest Research Institute and Colleges, Dehradun. In 1977, Sandal Research Centre was set up to undertake research on wide-ranging aspects of Genetics, Silviculture and Management of sandal. The Institute is presently catering the need of research and training in various aspects of wood science for Industries, Public and other Stakeholders.

Website: <https://iwst.icfre.gov.in/>

Sr. No.	Topic	Training types	Dates	Funding Agency
A.	CONFERENCE			
1.	Wood is good- current trends and future prospects in wood utilization	International Conference (Proposed)	3 rd or 4 th quarter 2026	ICFRE/ Sponsorship
B.	TRAININGS UNDER ENVIRONMENTAL KNOWLEDGE CAPACITY BUILDING (EKCB) SCHEME			
1.	Integrated pest and disease management in forest nurseries & plantation	Training of other Stakeholders	17-19 June, 2026	MoEF&CC, New Delhi
2.	Wood as a sustainable material	Training for other Stakeholders	5-7 Aug, 2026	MoEF&CC, New Delhi
3.	Sandalwood cultivation and prospectus	Training of other Stakeholders	23-25 Sept, 2026	MoEF&CC, New Delhi
4.	Wood as sustainable material	One week training for IFS Officers	2-6 Nov, 2026	MoEF&CC, New Delhi
5.	Recent trends in wood utilization	Three days workshop for IFS Officers	10-12 Feb, 2027	MoEF&CC, New Delhi
C. PAID TRAININGS				

1.	Plywood manufacturing technology	Short term Training	<ul style="list-style-type: none"> • 20 April- 19 May, 2026 • 05 Aug – 04 Sept, 2026 • 05 Jan – 05 Feb, 2026 	Paid Training
2.	Testing of formaldehyde content and emission by perforator and desiccator method	Short term Training	25-29 May, 2026	Paid Training
3.	Testing of plywood and block board as per IS:303, IS:710, IS:1328, IS:4990 & IS:1659	Short term Training	01-04 June, 2026	Paid Training
4.	Resin manufacturing for plywood	Short term Training	08-12 June, 2026	Paid Training
5.	Resin manufacturing technology	Short term Training	15-19 June, 2026	Paid Training
6.	Sandalwood cultivation and management	Short term Training	<ul style="list-style-type: none"> • 15-19 June, 2026 • 16-20 Nov, 2026 	Paid Training
7.	Micro propagation of bamboo (Basic Training)	Short term Training	29 June – 03 July, 2026	Paid Training
8.	Saw doctoring	Short term Training	20-22 July, 2026	Paid Training
9.	Bamboo composited technology for industrial production	Short term Training	17-19 Aug, 2026	Paid Training
10.	Testing of plywood, block board and flush door	Short term Training	<ul style="list-style-type: none"> • 07-11 Sept, 2026 • 18-22 Jan, 2026 	Paid Training
11.	Field identification of important timbers	Short term Training	21-25 Nov, 2026	Paid Training
12.	Understanding and controlling biodegradation in wood and panel systems	Short term Training	23-25 Sept, 2026	Paid Training
13.	Low cost and special resin for plywood manufacturing	Short term Training	<ul style="list-style-type: none"> • 05-09 Oct, 2026 • 08-12 Feb, 2027 • 15-19 March, 2027 	Paid Training
14.	Bamboo: nursery techniques, plantation management and value addition	Short term Training	12-16 Oct, 2026	Paid Training
15.	Peeling knife grinding and peeling lathe set	Short term Training	16-17 Nov, 2026	Paid Training
16.	Bamboo housing	Short term Training	16-20 Nov, 2026	Paid Training
17.	Wood processing	Short term Training	16-20 Nov, 2026	Paid Training
18.	Plant molecular biology techniques (Basic Trainings)	Short term Training	16-20 Nov, 2026	Paid Training
19.	Identification and management of forestry pests and diseases	Short term Training	09-11 Dec, 2026	Paid Training
20.	Low cost and special resin for plywood manufacturing	Short term Training	20-24 Dec, 2026	Paid Training

ICFRE-ARID FOREST RESEARCH INSTITUTE, JODHPUR

About Institute: Arid Forest Research Institute has been established since 1988 to cater the forestry needs of the arid and semi-arid region of Rajasthan, Gujarat & Dadar Nagar Haveli & Daman-Diu.

The institute is situated on Jodhpur, Pali Raod in beautiful campus spreading over 20.82 hectare area housing office building, laboratories, library cum information centre, community centre, guest house, scientist hostel and residential quarters. It is known for its contribution of research & Development in various domains of forestry in arid & semi-arid areas of country.

Sr. No.	Topic	Training types	Dates	Funding Agency
A.	TRAININGS UNDER ENVIRONMENTAL KNOWLEDGE CAPACITY BUILDING (EKCB) SCHEME			
1.	Integrated approach for sustainable development of fragile desert ecosystem	One Week IFS Training	07-11 Dec, 2026	MoEF&CC, New Delhi

ICFRE-TROPICAL FOREST RESEARCH INSTITUTE, JABALPUR

About Institute: The Tropical Forest Research Institute, Jabalpur is one of the eight regional institutes under the Indian Council of Forestry Research & Education, Dehradun. The Institute came into existence in April 1988, although its origin goes back to 1973 when a Regional Centre of Forest Research Institute, Dehradun was established at Jabalpur to provide research support to the problems of forest management in central India. The Institute has not only steadily advanced in terms of infrastructure but also specialized itself as a major nucleus for research on forestry and ecology related problems of tropical forests of the central region comprising of the states of Madhya Pradesh, Chhattisgarh, Maharashtra and Odisha.

Sr. No.	Topic	Training types	Dates	Funding Agency
A.	TRAININGS UNDER ENVIRONMENTAL KNOWLEDGE CAPACITY BUILDING (EKCB) SCHEME			
1.	Propagation and nursery management of bamboo	Training for Other Services	02-04 Nov, 2026	MoEF&CC, New Delhi
2.	Economically important medicinal plants cultivation & NTFPs (ICFRE-SDC, Chhindwara)	Training for Other Services	14-16 Dec, 2026	MoEF&CC, New Delhi

ICFRE-HIMALAYAN FOREST RESEARCH INSTITUTE, SHIMLA

About Institute: Himalayan Forest Research Institute (HFRI), Shimla was established as High Level Conifer Regeneration Research Centre during May, 1977 for carrying out research on problem associated with natural regeneration of Silver Fir and Spruce. The Institute made its humble beginning from this centre and at the time of re-organization of forestry research in India it was upgraded in to full-fledged research institute of ICFRE in 1988. The HFRI carry out research on the issues of high altitude forests.

Sr. No.	Topic	Training types	Dates	Funding Agency
A.	TRAININGS UNDER ENVIRONMENTAL KNOWLEDGE CAPACITY BUILDING (EKCB) SCHEME			
1.	Application of biofertilizers and bio pesticides in forestry practices	Training of other Stakeholders	23-25 Sept, 2026	MoEF&CC, New Delhi
B.	OTHER TRAININGS			
1.	Handholding training cum camp workshop on cultivation of karu for common interest group (CIGs) nigani, kinnaur, HP	Training cum camp workshop	27 th April, 2026	Jadi Buti Cell JICA, HPFSD
2.	Handholding training cum camp workshop on cultivation of karu for common interest group (CIGs) Taranda, Kinnaur, HP	Training cum camp workshop	29 April, 2026	Jadi Buti Cell JICA, HPFSD
3.	Handholding training cum camp workshop on cultivation of chirayata for common interest group (CIGs) Taranda –I Kinnaur, HP	Training cum camp workshop	12 May, 2026	Jadi Buti Cell JICA, HPFSD
4.	Handholding training cum camp workshop on cultivation of chirayata for common interest group (CIGs) Taranda- II, Kinnaur	Training cum camp workshop	14 May, 2026	Jadi Buti Cell JICA, HPFSD
5.	Handholding training cum camp workshop on cultivation of chirayata for common interest group (CIGs) Nigulsari, Kinnaur, HP	Training cum camp workshop	16 May, 2026	Jadi Buti Cell JICA, HPFSD
6.	Handholding training cum camp workshop on cultivation of Karu for common interest	Training cum camp	28 May, 2026	Jadi Buti Cell JICA, HPFSD

	group (CIGs) Baga Sarahan, Ani, Kullu	workshop		
7.	Handholding training cum camp workshop on cultivation of Karu for common interest group (CIGs) Maa Kasumba Sargha, Ani, Kullu	Training cum camp workshop	29 May, 2026	Jadi Buti Cell JICA, HPFSD
8.	Handholding training cum camp workshop on cultivation of Karu for common interest group (CIGs) Adi Brahma Wildlife Kullu, HP	Training cum camp workshop	10 June, 2026	Jadi Buti Cell JICA, HPFSD
9.	Capacity building training for establishment of modern nursery and use of mycorrhizal biotechnology for production of plantation material	Training	06 July, 2026	Himachal Pradesh Forest Department under CAMPA
10.	Training on establishment of model nursery and application of mycorrhizal biotechnology for production of quality planting material	Training	07 July, 2026	Himachal Pradesh Forest Department under CAMPA
11.	Capacity building training for establishment of modern nursery and use of mycorrhizal biotechnology for production of plantation material	Training	04 August, 2026	Himachal Pradesh Forest Department under CAMPA
12.	Training on establishment of model nursery and application of mycorrhizal biotechnology for production of quality planting material	Training	05 August, 2026	Himachal Pradesh Forest Department under CAMPA
13.	Current status, challenges and future prospects of tree improvement for productivity enhancement	RRC(Regional Research Conference)	21 August, 2026	ICFRE
14.	Capacity building of stakeholders on seed, nursery, and plantation technique of Betula utilis (Bhojpatra)	Training	16 Sept, 2026	JICA-HPFD
15.	Training on sustainable livelihood practices using native willows in the cold desert region of the northwestern himalayas	Training	04 Nov, 2026	PLAN Project
16.	Biodiversity conservation and its management	Training	12-14 Oct, 2026	HP State Forest Department
17.	Capacity building training for establishment of modern nursery and use of mycorrhizal biotechnology for production of plantation material	Training	19 Nov, 2026	Himachal Pradesh Forest Department under CAMPA
18.	Training on establishment of model nursery and application of mycorrhizal biotechnology for production of quality planting material	Training	20 Nov, 2026	Himachal Pradesh Forest Department under CAMPA
19.	Training on establishment of model nursery and application of mycorrhizal biotechnology for production of quality planting material	Training	03 Dec, 2026	Himachal Pradesh Forest Department under CAMPA
20.	Capacity building training for establishment of modern nursery and use of mycorrhizal biotechnology for production of plantation material	Training	04 Dec, 2026	Himachal Pradesh Forest Department under CAMPA
21.	Strengthening grassroots conservation: training on people's biodiversity registers	Training	08 Dec, 2026	HP State Biodiversity Board, Shimla

ICFRE-INSTITUTE OF FOREST GENETICS & TREE BREEDING, COIMBATORE

About Institute: The Institute of Forest Genetics and Tree Breeding (IFGTB) is a national Institute established in April, 1988 under the Indian Council of Forestry Research (ICFR). It is a multi-faceted research Institute primarily aimed to carry out research to improve productivity of forest tree species through conventional breeding programmes and biotechnological interventions. Mainstream research carried out by the Genetics and Biotechnology Divisions is supported by Silviculture, Seed technology, Protection (Entomology & Pathology), Agro-forestry and Bio-diversity divisions.

Sr. No.	Topic	Training types	Dates	Funding Agency
A.	TRAININGS UNDER ENVIRONMENTAL KNOWLEDGE CAPACITY BUILDING (EKCB) SCHEME			
1.	Save nature, safe future on natural resource conservation	Other Services Class- II/III	08-10 July, 2026	MoEF&CC, New Delhi
2.	Junior rangers- environmental awareness & nature learning programme	Other Stakeholders	18-20 Aug, 2026	MoEF&CC, New Delhi
3.	Green shield: role of mangroves and casuarina in disaster mitigation	IFS Officers	15-17 Sept, 2026	MoEF&CC, New Delhi
4.	Enhancing productivity of timber for self-reliance using forest genetics resource & biotechnology	IFS Officers	16-20 Nov, 2026	MoEF&CC, New Delhi
5.	Bamboo as sustainable and green building material for housing	Other Stakeholders	14-16 Dec, 2026	MoEF&CC, New Delhi
6.	Capacity building of school teachers on biodiversity conservation	Other Stakeholders	20-22 Jan, 2027	MoEF&CC, New Delhi
7.	Sandalwood cultivation and prospects	Other Stakeholders	16-18 Feb, 2026	MoEF&CC, New Delhi

ICFRE-INSTITUTE OF FOREST PRODUCTIVITY, RANCHI

About Institute: Encompassing the picturesque Eastern Himalayas in Sikkim and North Bengal, the fertile alluvial expanse of Indo-Gangetic plains in Bihar and West Bengal, deltaic and coastal mangroves of the world famous Sunderbans, a pocket of Tarai Sal Forest in the North West corner of Bihar and Tropical Deciduous Forests of Kaimur and Chhota Nagpur plateau overlaying rich and enticing mineral resources within its jurisdiction, the Institute of Forest Productivity is a premier forestry research organization catering to the forestry research needs of eastern India. Its jurisdiction includes Jharkhand, West Bengal, Bihar and Odisha. The Institute is engaged in research and capacity building in forestry issues in its jurisdiction.

Sr. No.	Topic	Training types	Dates	Funding Agency
1.	Ecological restoration, repurposing and ecosystem service accounting for degraded and constrained landscapes under global change.	Conference	10-11 Dec, 2026	NHMS, MoS & PI, NMDC, HCL
2.	Ecological rehabilitation	Training	22-24 Sept, 2026 OR 23-25 Feb, 2027	MOEF&CC/ Self-Financed
3.	Environmental impact assessment and social impact assessment of development projects	Training	13-15 Oct, 2026	Self-Financed
4.	Ecosystem services assessment and valuation	Training	3-5 Nov, 2026	Self-Financed
5.	Data science in forestry	Training	27-29 Jan, 2027	ICFRE/Self-Financed

ICFRE-RAIN FOREST RESEARCH INSTITUTE, JORHAT

About Institute: Rain Forest Research Institute (RFRI), Jorhat, Assam is one of the constituent institutes of Indian Council of Forestry Research and Education (ICFRE), Dehradun. The institute came into existence in 1988 to cater the forestry related research & extension needs of the North-Eastern Region of the country. The Institute encompasses of all the disciplines of forestry research. Recently an Advanced Research Centre for Bamboo and Rattan (ARCBAR) has also been established at Aizawl in Mizoram under this institute.

A.	TRAININGS UNDER ENVIRONMENTAL KNOWLEDGE CAPACITY BUILDING (EKCB) SCHEME			
1.	Bamboo resource development for addressing livelihood concerns of the communities at ICFRE-RFRI, Jorhat	Training for IFS Officers	16-20 Nov, 2026	MoEF&CC, New Delhi
2.	Bamboo resource development for addressing livelihood concerns of the communities at ICFGRE-RFRI, Jorhat	Class I Officers of State Governments	13-15 Oct, 2026	MoEF&CC, New Delhi
3.	Bamboo resource development for addressing livelihood concerns of the communities at ICFRE-RFRI, Jorhat	Class II/III Officers of State Governments	15-17 Dec, 2026	MoEF&CC, New Delhi
4.	Junior rangers: connecting students with nature at ICFRE-RFRI, Jorhat	Other Stakeholders	20-22 January, 2027	MoEF&CC, New Delhi
B.	OTHER TRAININGS			
1.	Training under VVKs on various topics: <ul style="list-style-type: none"> Bamboo and its utilization Agarwood cultivation and artificial inoculation Agroforestry Medicinal and aromatic plants Cultivation of edible mushrooms Broom grass cultivation Lac cultivation 	Training	(Dates not fixed) 3-4 Nos. of Training per Quarter in VVKs and Demo Village	ICFRE
2.	Training on agarwood and artificial inoculation	Training	<ul style="list-style-type: none"> 10-12 June, 2026 05-07 Aug, 2026 28-30 Oct, 2026 	Self Sponsored
3.	Regional research conference	Conference	10 July, 2026	ICFRE

ICFRE-INSTITUTE OF FOREST BIODIVERSITY, HYDERABAD

About Institute: The Institute of Forest Biodiversity was established during December 2012 vide ICFRE order no. 58-21/XLVII/2012-ICFRE dated 7th December 2012, by upgradation of the erstwhile Forest Research Centre, Hyderabad.

The Institute is located at Dulapally, and spread over an area of one hundred acres, the Institute has the necessary infrastructure viz., administrative block, three laboratories (molecular genetics, tissue culture and soil science), library, field trial areas (comprising germplasm banks, seedling seed orchards, and agroforestry models), nursery area (complete with shade houses and mist chamber) to take up research and development projects on the biodiversity. The Institute has a field station spread over sixty acres at Mulug, Hyderabad.
