Green Credit

Three-Day Training Programme

"GREEN CREDITS FOR TREE PLANTATION AND ECORESTORATION ACTIVITIES"

16th to 18th December 2026

Organised by:

Green Credit Cell,

INDIAN COUNCIL OF FORESTRY RESEARCH & EDUCATION

(An Autonomous body of the Ministry of Environment, Forests & Climate Change, Govt. of India)

Venue:

Green Credit Cell, 1st Floor DFE Building, FRI Campus, New Forest P.O.,Dehradun-248006, Uttarakhand (India)

Max Participants: 25 Nos.

Rs. 9540/- per participant

Last date to apply: 11th December 2026

Training Programme

Building Capacity for a Greener Tomorrow

Background

The **Government of India notified the Green Credit Rules, 2023 on 12 October 2023** under the **Environment (Protection) Act, 1986**, thereby introducing the **Green Credit Programme (GCP)** as an innovative, market-based mechanism to incentivise voluntary environmental actions. The Programme aims to encourage industries, companies, individuals, and other entities to undertake voluntary environmental activities, leading to the generation and award of **Green Credits**.

Further, the Government of India notified the **revised methodology for calculating Green Credits for tree plantation activities** vide **Notification No. G.S.R. 592(E) dated 29 August 2025**, superseding the earlier methodology notified vide **Notification No. S.O. 884(E) dated 22 February 2024**.

In this context, the training programme is designed to **build the capacity of stakeholders on the revised GCP modalities**, strengthen their understanding of **ecorestoration and tree plantation planning and implementation**, and facilitate effective **monitoring, reporting, verification, and compliance** under the Programme.

The training programme will enable participants to:

1. **To understand the GCP framework, GCP portal, institutional arrangements and revised modalities.**
2. **To develop practical capacity for identification, assessment, planning and implementation of eco-restoration and tree plantation activities.**
3. **To develop practical knowledge of restoration activities, DPR/MoU preparation, and the Monitoring, Reporting and Verification (MRV) framework**

Target Audience

- Forest Department officers and technical personnel.
- Government agencies, PSUs and private sector representatives.
- NGOs, institutions, consultants and other agencies.
- Other Stakeholders involved in implementation, monitoring and reporting of GCP activities.

About the Venue

The **Green Credit Cell, ICFRE (Headquarters)**, located within the **Forest Research Institute (FRI) Campus, Dehradun**, serves as the national-level administrative and implementation hub for the Green Credit Programme (GCP). As the designated GCP **Administrator**, ICFRE undertakes key national-level activities related to programme coordination, methodology development, monitoring, capacity building, and implementation from this venue.
